### **BLEND**

100% Sauvignon Blanc  
*Dalla Gasperina Vineyard  
Rutherford AVA*

### **WINEMAKING/TASTING NOTES**

Sauvignon Blanc grapes sourced from a vineyard in the heart of Rutherford. Half is fermented in an oak barrel, half fermented in stainless-steel tank and then barrel-aged for 15 months creating a wine that is both rich and lively with acidity. It shows classic layers of melon and tropical notes with just a hint of creaminess. This is a versatile wine that can be enjoyed as an aperitif or paired perfectly with a meal.
